

# HOW TO GREET A DOG

- ✓ Approach calmly and ask owner for permission.
- ✓ Turn to your side and pat your leg so dog approaches you first.
- ✓ Pat dog on side of body or under chin.
- ✓ Pat dog gently for 3 seconds, then stop. If dog leans in or stays close you can keep patting!

- ✗ Don't lean over dog or stick your fist in their face – they don't need to sniff you!
- ✗ Don't rush in or approach dog head on.
- ✗ Don't hug a dog you've just met.
- ✗ Don't approach a dog that is tied up.
